For alternate formats, call 206-296-6600.

******EFFECTIVE OCTOBER 1, 2008******

DDES is offering a **fee amnesty program** to those property owners with illegal construction, clearing, or grading who come to DDES retroactively to begin the permit review process.

Between 10/1/2008 and 4/1/2009, these permit applicants will pay only the regular permit fees. The department's standard practice of doubling permit fees for illegal construction, clearing, or grading will resume on 4/2/2009.

To be eligible for this program, the unpermitted activity must have occurred before October 1, 2008 and a complete application must be filed with DDES by April 1, 2009.
